

SUNSET GRILL RESTAURANTS COMMIT TO CHICKEN WELFARE

OAKVILLE, ONTARIO – Sunset Grill Restaurants is proud to announce our pledge to ethically sourcing chicken in all of our Canadian restaurants by 2024 (conditional on supply).

We will require our chicken suppliers to demonstrate compliance via government laws and inspections and third-party auditing. Our suppliers will do the following for 100% of our products:

- Providing birds with more space by reducing stocking density maximums
- Improve living environments including litter, lighting, and enrichment
- Process chickens in a more ethical and humane manner

“We feel the adaptation of this policy is an important step towards sourcing ethically and responsibly within our supply chain,” said Angelo Christou, founder and CEO of Sunset Grill Restaurants Ltd.

In 2016, Sunset Grill Restaurants also committed to sourcing and serving 100% cage-free eggs in all of our Canadian restaurants by 2025 (conditional on supply), to improve the health and welfare of our chickens.

Sunset Grill Restaurants will take this step towards sourcing ethically within our supply chain while continuing to focus on serving fresh, high quality meals to our guests.
