## The Concept

Owner-operated, California-style breakfast restaurant with a warm and friendly community atmosphere. Featuring fresh grilled breakfast and lunch prepared in an open kitchen.

## The Background

Welcome to the Home of the Original FAMOUS ALL DAY BREAKFAST™

Canada's leading full-service breakfast restaurant franchise.

Fresh is Tastiest™ is our philosophy at Sunset Grill®. Our guests are loyal to our brand and love our food because we use fresh ingredients, healthy cooking methods and we always cook fresh to order.

For over 30 years our owner-operators have enjoyed a healthy work-life balance with our one-shift operation model. High profit margins (up to 20 per cent on net sales) lead to excellent returns and the building of a saleable asset.

We set our franchisees up for success with our award-winning formula. Specialization in the marketplace, streamlined operations, comprehensive training, ongoing professional guidance and low staff turnover are just a few of the benefits you'll enjoy when you become a part of the Sunset Grill family.

Canada's #1 breakfast brand with 85 locations and growing. Join the breakfast revolution today and let us find you a home at Sunset Grill.

## Future Expansion

Over the next 12 month span, Sunset Grill is opening at least 15 new franchised units and is focusing on Canada and select markets in the USA. The chain will concentrate on high traffic and highly visible street locations in addition to freestanding pad sites and end caps with patio (where possible).

## Appealing Factors

- ✓ Specialization in the marketplace positions us as the dominant brand. Operations are streamlined and efficient in comparison to broad spectrum restaurants.
- ✓ Not only is breakfast a high profit sector of the restaurant industry, it is also the fastest growing.
- ✓ A clean, open concept kitchen instills customer confidence and is now more popular than ever. It also provides management a full, unobstructed view of customer flow, kitchen operations and seating areas at all times - resulting in savings on payroll, excellent customer service and maximized employee productivity.
- ✓ One-shift operation (7 am to 4 pm daily) ensures zero down time and maximizes profits. A one shift operation also allows our franchisees the ability to enjoy their evenings and spend quality time with their families - without worrying about the restaurant!
- ✓ Staffing is simple with one shift to manage, coupled with no evening hours, the results are a very low staff turnover.

## Appealing Factors Continued

- ✓ Excellent income potential. Featuring the highest net profit of any full service restaurant (up to 20% profit on net sales).
- ✓ Strong support. Head office will find and prefilter locations in prime, high visibility sites only. We negotiate long-term clean leases (up to 30 years) and provide initial and ongoing training.
- ✓ Strong community presence and an opportunity to meet good, wholesome people.
